SANGATI
GUWAHATI
SMART HOMES

Imagine a home that brings people together and promotes living in harmony in the truest sense. Where residents can discover the smarter way to live by coming together as a community. Where they are equipped with the technology of tomorrow, in the middle of a sprawling green township. Where the quality of living matches premium residences equipped with all modern amenities and fits your budget. Now you can own this home too!

The world has ushered in a wave of development in tune with the recent progresses made to elevate the standard of living. In our quest of delivering the promise of making connected and smart living accessible for all, we have perfected the art of delivering budget-oriented premium living without compromising on quality.

We are proud to introduce Sangati – The Smarter Way to live! Where you own your own home in the self-sustainable premises of Shristinagar – Guwahati and have access to every ultramodern feature of the township. All of it while you unite with your neighbours, celebrate the true spirit of companionship, and live in perfect harmony!

Welcome to Sangati
Welcome to the smarter, connected life !

THE COMING TOGETHER OF COMFORT AND CONVENIENCE

At Sangati, you don't just buy a comfortable home. You buy a township, because Sangati comes with the convenience of a host of township amenities designed exclusively for you.

Sangati is at the heart of Shristinagar – Guwahati, amidst the treasures of hills and river, featuring a wide array of amenities including shopping mall, school and healthcare facilities, a leisure club and much more.
